Local Public Health Department: Wayne County Health Department

Name of Intermediate School District: West Village Academy

Name of Authorizing Body: Central Michigan University

Date of Adoption by Board of Directors: 09/15/2020

Educational Goals

West Village Academy is committed to offering academic programs and learning opportunities which will prepare students academically for success in college, work and life. In addition, the Academy will strive towards the terms of the current Charter Contract (Schedule 7b-1) to achieve or demonstrate measurable progress for all groups of pupils towards the achievement of the educational goals identified in the schedule.

The Academy will continue to use the NWEA Map assessment and will administer it 3 times a year (Fall, Winter, Spring) to monitor progress towards reaching our educational goals.

- The median growth percentiles reflecting fall-to-winter and fall-to-spring scaled score growth in grades 3-8 on reading and math NWEA Growth tests will be at or higher than 50.

Currently the Academy is still accessing students on NWEA. Progress toward Fall to Winter Testing data will available soon.

In addition to NWEA MAP, instructional staff will administer “Standards-Based Assessments” to students at the beginning and end of every “Learning Cycle”. This assessment protocol will provide ongoing data to verify student growth and/or academic attainment on a learning standard.

K-5: To Pass each quarter Elementary Students must complete: 6 Standards in ELA, 6 Standards in Math, 3 Standards in Social Studies and 3 Standards in Science.

6-8: To Pass each quarter Middle School Students must complete: 6 Standards in ELA, 6 Standards in Math, 6 Standards in Social Studies and 6 Standards in Science.
